SCHOOL LEADERS!

Our school leaders have been working very hard to help our younger students with their learning. Working as a team has been our focus and allowing our school leaders to experience the responsibility of teaching has been refreshing!

DAWAH LEARNING

Our students have enjoyed the Dawah learning session hosted by Eduquest. There was plenty of focus on the characteristics of a Muslim and lessons derived from Islamic stories.

OUR MASJID GARDEN!

We started putting our team together to take care of our Masjid garden. Students will be learning lots about the creation of Allah and how we must take care of our environment as Muslims!

GIRLS CAMP!

Our girls enjoyed the opportunity to work with other students from Auckland on the Muslimah Leadership Camp organised by Eduquest. There were lots of activities along with Islamic learning on how to be Muslim leaders in New Zealand.

FOCUSING ON QURAN!

Our students have been working hard on reading Quran and focusing on their Tilawah. They have been doing lots of activities and learning life lessons from the Quran.
